DARKEN ON THE RAMPAGE.

John Pratt, colored, recently sentenced to a term in jail for a burglary, was discharged Wednesday night. He soon became drunk and after midnight proceeded to a house on Wilkes street occupied by colored people, and after extinguishing the lights drew a knife and rushed into the street. The latter in his flight hurled an inkstand at Pratt. Cries of murder followed. He appeared on the wharf yesterday morning in a drunken condition and became disorderly. Officers Rawlett and Roland took him in charge. Pratt was brought before the Police Court this morning and fined \$5 for assaulting the Lawrence woman and \$5 for disorderly conduct. He will be returned to the place from whence he came.

CRISPIES IN A ROW.

Some excitement was caused on upper Duke street early last night by a row which took place among some shoemakers. Officer Young made his appearance and arrested William Postwiski and Adam Mulez, who seemed to be the principals. These two with two others who had been summoned as witnesses were at the station house this morning when the case was called before the Police Court. The four have a limited stock of English, but, according to the evidence, Mulez carries a small vocabulary of cuss words. He had applied a common epithet to Postwiski and the latter had struck him. Justice Caton dismissed the charge against Postwiski, but fined Mulez \$5.

INJURED ON STREET CAR.

Miss Margaret Johnson, aged 46, of Washington, and Miss Jennie Davidson, aged 18, of Arlington, were slightly injured and several persons were frightened about 7:30 o'clock last night, when a controller became short circuit on a Capital Traction car at Twenty-seventh and M streets. The motor-man, threw on the power. With a flash and a sputter, a stream of light flared across the front of the car. Miss Johnson and Miss Davidson were seated near each other, and both sprang to their feet and jumped from the car. Miss Johnson struck on her head in the street, and Miss Davidson on her left side. The car was filled, and many passengers, seeing the women jump, followed them.

FOOTBALL GAME.

The Cardinal Athletic Club will open the season with the Rayless Athletic Club of Washington, on the north Alfred street grounds Saturday afternoon at four o'clock. This being the first game of the season it will give the spectators a chance to see how the new game is played, and as both teams are about evenly matched a good game is expected. The Cardinal's lineup will probably be as follows: Snowden, q. b.; Trigger, f. b.; McBride, r. b.; Cockrell, l. b. b.; Capt.; McDermott, Pitts and Sutherland, ends; Douglas and Steelman, tackles; Cooke, Ale, Dielert or Aystrike, guards; Hamilton, center. While the lineup of the Rayless is uncertain Capt. Parsons has assured Manager Crump that his team will be well balanced and be able to make things interesting for the crack Cardinal team.

POLICE COURT.

[Justice H. B. Caton presiding.]
The following cases were disposed of this morning:
John Britt, colored, charged with assaulting Mary Lawrence, colored, was fined \$5. Britt was also fined \$5 for disorderly conduct on the wharf.
William Postwiski, charged with disorderly conduct and fighting, was dismissed.
Adam Mulez, charged with similar offenses, was fined \$5.
Joseph Weingart, charged with disorderly conduct, forfeited his collateral by failing to appear.
Mary Springsteel, charged with disorderly conduct, was fined \$5.
A white man and a colored woman charged with improper conduct, were fined \$5 each.

CARDINALS ELECT OFFICERS.

The Cardinal A. C. 1910 baseball champions held a meeting in the rooms of the Chamber of Commerce last night. Much business of interest was transacted, and officers for the coming year were elected as follows: President, Sylvester A. Breen; secretary, James Patterson; treasurer, H. Garnett Pitts; scorer and mascot, "Capt. Fats" Corbett. A meeting will be held later for an election of captain and a manager.

NEW OPERA HOUSE.

As was anticipated, the Opera House was filled to its doors last night by an audience eager to see and hear the most excellent vaudeville features engaged for the rest of the week. They were not disappointed, as the Ritchies with their wonderful dogs and bicycle performing captivated the audience from the start. Besides the duo, the Delmar Bros., who are only 12 years of age, in their acrobatic feats are wonderful. Raymond Knox is also high class in his singing and funny stories as the "Kolledge Kid."

Joseph, the little son of Mr. Edward Downey, had his head cut with a stone thrown by another boy yesterday in the southern section of the city.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create, makes one feel joyful. Sold by W. F. Creighton and Richard Gibson.

SCHOOL BOARD.

The monthly meeting of the City School Board was held last night, Capt. Herbert Bryant presiding.
The superintendent reported that the new furnaces had been installed in the Washington building, and the work thereon was almost completed and that also of connecting and plumbing in that building. A number of bills for supplies and improvements were ordered to be paid.

Mr. Thomson reported the finance committee had decided to take no action in reference to re-establishing the division of Snowden school taught last session by H. T. White, the committee having ascertained that the teacher had secured another position.

Applications of Misses Eva Cowling and Pauline Johnson to be placed on the list of substitute teachers in the white schools and of Louise Fletcher, Ella M. Lyles and Madeline Penn in the colored schools were granted.

The superintendent reported that the issuing of permits for children to enter the schools had been commenced on September 5 and that the schools had been opened for study on September 12th; there had been some delay, he said, in securing books for the high school, but the matter had been adjusted, but the matter had been adjusted in Richmond. He made his report covering the assignment of scholars to the various schools and the number in each room; there had been a few cases of tardiness on the part of the pupils and a few cases of unavoidable absence of teachers during the past month, but the schools had been kept open, however. The superintendent also reported that he had notified those pupils living outside the city limit, but who had secured permits to enter the schools that they could no longer attend the schools and this action was approved by the board.

A communication from A. C. Davis, who stated that he was temporarily residing outside the city, for permission to send his children to the city school, was laid on the table.

A communication from Alexandria Council, O. F. A., for permission to raise a flag on Lee building was referred to the committee on schoolhouses and furniture.

After the transaction of some general business the board adjourned.

COUNTY NOTES.

Mr. Harry Thurlow, who is graduate of the University of Virginia, and last year secretary of that institution, comes to the Alexandria County Court House as a member of the firm of Rixey, Hiden and Thurlow.

Judge Richard Tebbis, who was struck by a Capital Traction car near 7th and P streets, Washington, on May 27, is out of the hospital and being nursed at his home at Leesburg. The judge was severely injured, having had both legs broken, three ribs fractured and numerous wounds about the head and body.

Charles Rauscher, caterer, gave a dinner on Saturday to the officials of Alexandria county at his place corner of Connecticut avenue and L street, in Washington. The dinner was given in honor of Mr. Dickinson, of Buena Vista, Va., to whom a portion of the Rauscher land near Chardenson was recently sold by Mr. Geo. H. Rucker for \$20,000.

Harry R. Thomas, who for ten years has been the most familiar figure perhaps in the county clerk's office at Ft. Myer Heights, on last Monday stepped down and out at the suggestion of Clerk Rucker, whose deputy he was. Mr. Thomas has been for a year an avowed candidate to succeed Mr. Rucker and supposed he had his chief's support, but "things have changed" and Mr. Rucker is going to try to succeed himself, it is understood, and will not give his opponent the aid of continuance in office in the meantime. Some misunderstanding seems to have arisen over the details of the parting company.—[The Monitor.]

BASKETBALL CONTEST.

The first game of basketball to be played under the new rules recently adopted by the Amateur Athletic Union basketball committee for 1910-11 will take place at Armory Hall Saturday evening at 8 o'clock, when the Champion Y. M. S. L. Quint will endeavor to show the Y. M. C. A. team of Washington, D. C., how to play that interesting and much liked game—if it is in their power to perform that trick. The Y. M. C. A. boys are the most dangerous team of youngsters the Lyceum lads have ever tackled and to beat them will be no easy task. The prospects for the success of the coming season are very bright and judging from the interest displayed in all the games of last season, this will be the banner one, as the management will strive to secure the finest class of basketball teams, so that no person who gives his aid and encouragement to this fine grade of indoor sport need have any regrets for doing so. Many ladies and their escorts are expected to attend, and it is desired that a large crowd visit the Armory and make the first night for the home boys and their worthy rivals one long to be remembered.

LONG WISHED-FOR RAIN.

The warm weather of the past few days succeeded at an early hour this morning by rain and a decided fall in the temperature. A fresh southerly wind prevailed yesterday and last night, and between ten and eleven o'clock the heavens became obscured with clouds. Later in the night there were sprinkles of rain and between three and four and there was a heavy downpour, and rainy conditions have since prevailed.

BOARD OF FIRE WARDENS.

The Board of Fire Wardens held a meeting last night at the Reliance engine house and opened bids for furnishing horse feed to the various engine houses for the next quarter. The contract was awarded to T. F. Burroughs, Sons & Co. The board transacted the usual business.

Hundreds Drowned.

London, Oct. 7.—Hundreds of religious celebrants were drowned by a sudden overflow of the Ganges river, near Agra, India, according to a dispatch to Reuters today. Thousands were encamped along the river for a religious festival, when the river rose suddenly, almost as though by a tidal wave.

MASSACHUSETTS DEMOCRATS.

Frederick W. Mansfield, of Boston, was nominated for governor by the delegates to the democratic State convention in Boston at 1:30 this morning. The nomination being by acclamation. The name of Mr. Mansfield was offered as a compromise following a conference in which James H. Vahey and representative Eugene N. Foss agreed to withdraw from the contest to save bitterness and to better the chances of the success of the party at the polls. It was agreed that the name of Mr. Mansfield should be placed in nomination with the understanding that he would withdraw within 2 hours, and that the selection of the party's candidate would then be made by a special committee. Mr. Vahey, made a strong speech in which he withdrew his own name and nominated Mansfield.

The convention broke out in a wild tumult at the conclusion of the announcement of an indecisive second ballot for a nominee.

The balance of the State ticket was made up as follows:
Secretary of state, A. Z. F. Charest, of Holyoke; treasurer general, B. F. Peach, of Lynn; auditor, Charles Paine, of Barnstable; attorney general, John Ratigan, of Worcester.

Five Escape from Sing Sing.

Ossining, N. Y., Oct. 7.—Following a terrific battle with two of the night keepers who were badly beaten and then tied hand and foot, five men serving terms in Sing Sing prison for burglary, escaped early today. They got out by sawing through the bars of one of the windows of the chapel. They then took to the river landing below the prison walls. Before getting out they severed the telephone wires, and it was not until an hour after that they had gotten away that their escape was reported. A posse of armed guards is pursuing them, and it is possible there will be a lively battle if they are overtaken, as they are understood to have carried with them the revolvers taken from the guards.

The men are Walter Igan, Robert Royland, Joseph White, Isaac Blum and William Green.
It is believed that the escape was planned some time ago and that saws were smuggled to the convicts by friends on the outside.

Roosevelt in the South.

Lynchburg, Va., Oct. 7.—Dixie was invaded by Theodore Roosevelt today, and the contributing editor declared, as the first day of his trip through the south began, that he was in good condition for the forthcoming campaign.
A visit of two hours at Bristol on the Tennessee-Virginia boundary was the first stop scheduled for this trip. As the guest of the board of trade Mr. Roosevelt will discourse on good citizenship to a mass meeting of citizens.

At three this afternoon the former president will reach Knoxville, Tenn., where he will attend the Appalachian Exposition.

Actress Sued.

New York, Oct. 7.—A hundred and fifty dollar night gown as well as a "pink silk combination outfit," at \$56, and two "petticoats" at \$70, are among the items for which Mme. Blanche Yovina, a local dressmaker, today sued Mrs. Leslie Carter Payne, the actress. The suit brought before Justice Newburger in the Supreme Court demands payment from the former Belasco star of \$5,604.75, being a balance due on a bill for gowns and lingerie.

Bodies Recovered.

New York, Oct. 7.—Seven additional bodies of drowned sailors of the United States navy were taken from the Hudson river at 152nd street today making a total of 17 victims of last Saturday night's disaster recovered. Among the bodies is that of A. Mantley, of Richmond, Va.

HELD FOR THE GRAND JURY.

The probe of the coroner's jury in Richmond brought to light yesterday the facts in connection with the killing of Jesse E. Williams by B. F. Puryear, special county officer appointed for duty during the fair, which occurred after midnight Wednesday night on the boulevard.

Miss Mabel Lee Daniels, whom Williams was escorting at the time and in whose presence the tragedy occurred, was the star witness. Miss Daniels, who is decidedly handsome, told the story of the shooting in a clear and convincing way. She told how, with scores of others, they had missed the last car from the fair grounds and were compelled to walk to the city limits to get an "owl" car. They became tired and sat down on the side of the road in front of an open field to rest. Many people were passing along the road, and nothing was thought of it.

A crowd came along, and one of the men, who proved to be Magistrate Puryear, a brother of the officer, accosted them. Her companion became indignant and sprang at the magistrate, and was knocked down by Williams. Lying on the ground, Officer Puryear shot Williams twice, the latter dying while being taken in an automobile to a hospital.

Officer Puryear was held for the grand jury.
